WEEKEND INTENSIVE SEMINAR OVERVIEW

Rosamund Zander engages the group in a transformational conversation that shifts the way participants think, feel, speak, and act. The work is supplemented by individualized coaching such that participants emerge with a clear purpose, ready to set out on a new journey with a light step.

The sessions are designed to enhance transformation and connection. Seminars are limited to a size that is optimal for this kind of work. Meetings take place in Roz's private home on a tree-lined street, are fully catered, and include interludes of relaxation to facilitate integration of new experiences.

Each weekend includes a musical event, either a rehearsal or a concert conducted by Benjamin Zander. Ben will also join the group for a conversation during the course of the weekend.
